

Contract Rock Program – The contractor will not be hauling rock this week.

Flooding – D47 in Buck Creek is still closed. The washed out abutments are almost completely backfilled. We will be constructing the concrete bridge approach this week. At this point, the goal is to reopen the bridge by Friday of this week. The only other road in the county that is closed due to flood damage is 100th Street west of 180th Street. The washed out culverts need to be replaced due to a pipe collapse.

NEXT MEETING

The next regular session of the Board of Supervisors will be held on Monday, July 15, 2013 at 1:15 pm.

PUBLIC COMMENTS:

County Attorney John Bernau stated that he serves as a merit badge counselor for the "Citizenship in the Community" merit badge. Today he has six (6) boy scouts in attendance who are trying to earn their "Citizenship in the Community" badge. Two (2) of them are also trying to earn their "Communications" merit badge as well. He is asking that the attendance of Andrew Buelow, Caleb Zehr, Noah Crumpton, Tristin Kelley, Tanner Kelley and Tristan Voelker be noted in the minutes for today's meeting.

Mr. Bernau also wanted to thank the Board for the renovated parking lot located on the southeast side of the courthouse. He appreciates the Board putting the necessary time and effort into its maintenance and upgrade. According to Mr. Bernau, it was long overdue.

Supervisor Ries asked the County Engineer if FEMA would be covering some of the cost for the bridge replacement at Buck Creek. Mr. Bardgett responded that it would be the Federal Highway Commission that would be funding the project not FEMA. Also, since this was an emergency repair, it will be 100% cost reimbursement.

There being no further business before the Board, Chairperson Madlom asked for a motion to adjourn.

Motion made by Ries, second by Helmrichs and carried to adjourn the meeting at 1:43 pm. All Ayes

The Delaware County Board of Supervisors met in regular session this date at 1:15 pm with all present. Also present were Anthony Bardgett, Milt Kramer, Courtney Vorwald, Carla Becker, and three (3) members of the media. Jeff Madlom, Chairperson, called the meeting to order.

Motion made by Helmricks, second by Ries and carried to approve the minutes from the July 8, 2013 regular session. Supervisor Ries felt that more detail should have been included in the minutes regarding Linda Muller's presentation regarding RC&D. RC&D is a program that has helped quite a few businesses in Delaware County, such as Kendricks, Delaware County Meats and the Saw Mill at Sand Springs, by either providing low interest loans through the revolving loan fund or helping find and be awarded monies from various grants. Since counties are trying to keep this program going, he feels that the benefits this program has brought to Delaware County should have been reflected in the minutes better. All Ayes

This being the date and time set to hold a public hearing on the disposal of county owned property as published in the official newspapers of the county on July 10, 2013, Chairperson Madlom opened the public hearing at 1:28 pm.

Anthony Bardgett, County Engineer, addressed the Board regarding the disposal of Lot Four (4) of the Subdivision of the N ½ of the SW ¼ of Section 12 in Hazel Green Township. This property was originally obtained by Delaware County in the late 1990's in conjunction with the re-grading of 212th Ave for a bridge project. On a contract for right-of-way with Miles McDonald, Mary Bender, Marjorie Hicks, Dennis McDonald, Patricia Silins and Marcella Cologrosso for this same project, Delaware County agreed to deed part of Lot 4, exclusive of right-of-way, to these six (6) people after the completion of the construction of the road project. Unfortunately, the transfer never happened. County Land Surveyor Brad Burger surveyed the property and identified the portion used for road right-of-way. Said plat is filed for record with the Delaware County Recorder in Book 2013, Page 1898. This public hearing is being held to receive comments on the deeding of said Lot 4, subject to present right-of-way, to the persons specified on the McDonald's contract.

There being no additional comments, either written or oral, the public hearing was closed at 1:30 pm.

Motion made by Helmrichs, second by Ries and carried to approve the following resolution regarding the disposal of county owned property:

WHEREAS, the terms of the contract require the County to deed part of Lot 4 of the Subdivision of the N½ of SW¼ and the NW¼ of SE¼, exclusive of road right-of-way, all in Section 12-T87N-R5W of the 5th P.M. to Miles McDonald, Mary Bender, Marjorie Hicks, Dennis McDonald, Patricia Silins, and Marcella Cologrosso upon completion of construction of the road project, and

WHEREAS, this contract was approved by the County Engineer and signed by the Chairperson for the Delaware County Board of Supervisors, and

WHEREAS, the highway project for 212th Avenue, Delhi, Iowa has been completed.

NOW, THEREFORE, it is hereby resolved by the Board of Supervisors that in consummation of the contract for right-of-way dated March 31, 1999, the following county property, subject to the public highway easement, shall be disposed of by the issuance of a quit
